2024 IS HERE!

Happy New Year! Can you believe that 2024 is here? I am so excited for this new season! May it be a year of abiding in Jesus for all of us.

What lies ahead?

In 2024 I will lead the High Schools Ministry for Fire and Fragrance South Africa. We are involved in 4 High Schools in Potchefstroom and we have started and will continue to visit High Schools across the country.

My heart is to empower the youth to pray, worship, hear God's voice and step into evangelism. They are not too young to follow Jesus fully and live holy lives, they just need permission to do so.

In May I will have the privilege of going to an International Fire and Fragrance conference in Eastern Europe.

Trip to Tanzania

Our trip to Tanzania was amazing! I enjoyed it so much to help my Dad teach in the DTS at the Kilimanjaro YWAM base. The first week we taught on Evangelism and the second week on discipleship. It was a fun opportunity to share what I have learnt in my short time in Missions. The students really enjoyed the lectures and applied the tools we gave them.

I need your prayer!

I am a human. I cannot do anything out of my own strength. I ask that you pray for me to empower me and strengthen me through His Spirit.

Col 1:9 “For this reason, since the day we heard about you, we have not stopped praying for you. We continually ask God to fill you with the knowledge of his will through all the wisdom and understanding that the Spirit gives...”
